

# CALL FOR APPLICATIONS: Pilot Project Grants, San Antonio Nathan Shock Center

The **San Antonio Nathan Shock Center Research Development Core** announces the availability of pilot project grants for work performed by the SA Shock Center cores. The following cores are available to provide services (see <https://nathanshock.barshop.uthscsa.edu/cores/research-development/rfa-support-core-service/>):

- **Aging Animal and Functional Assessment Core** (Jim Nelson, PhD, [nelson@uthscsa.edu](mailto:nelson@uthscsa.edu), Adam Salmon, PhD, [salmona@uthscsa.edu](mailto:salmona@uthscsa.edu))
- **Analytical Pharmacology and Drug Evaluation Core** (Brett Ginsburg, PhD, [ginsburg@uthscsa.edu](mailto:ginsburg@uthscsa.edu), Marisa Lopez-Cruzan, PhD [lopezcruzan@uthscsa.edu](mailto:lopezcruzan@uthscsa.edu))
- **GeroMetabolism Core** (Xianlin Han, PhD, [hanx@uthscsa.edu](mailto:hanx@uthscsa.edu), Elizabeth Fernandez, PhD, [fernandeze@uthscsa.edu](mailto:fernandeze@uthscsa.edu))
- **Pathology Core** (Yuji Ikeno, MD, PhD, [ikeno@uthscsa.edu](mailto:ikeno@uthscsa.edu))

For questions about whether your project can be assisted by any of our cores please contact the appropriate core leaders listed above. For general questions contact the Research Development Core Leaders at [chenl7@uthscsa.edu](mailto:chenl7@uthscsa.edu) or [hornsbj@uthscsa.edu](mailto:hornsbj@uthscsa.edu).

One-page proposals and proposed budgets, developed in conjunction with the above core leaders, may be submitted any time; in any case please submit by August 15, 2025 for possible start dates beginning September 1, 2025.
